Affinity Biotic Plus

A diverse and concentrated probiotic and biostimulant for soil. Formulated to increase mineralisation, improve nutrient availability and increase plant health.

CAUTION:

Avoid contact with eyes. Keep out of reach of children.
If swallowed seek medical advice.

Do not store in direct sunlight.

CONDITIONS OF SALE:

Affinity products are manufactured to label specifications.
Affinity takes no responsibility for product damage, loss,
injury or misuse of the product.

COMPATIBILITY

Affinity Biotic Plus is compatible in most ag chem tank mixes.
However a jar test is recommended as some chemicals can
react. Do not mix amines or calcium products.

**Do not store mixed product. Mix well prior to use.
Refer to SDS for correct handling and safety protocol.**

Affinity Liquid Fertilisers works best when plants are actively growing and under reduced stress. Apply mid morning in dry conditions for best results. Do not spray in hot conditions. For best results consult a certified agronomist to determine crop deficiencies.
