Quality, Experience, Passion

## Affinity Active Humic Acid

High quality liquid humic acid. Used for soil applications to stimulate microbial activity and improve fertiliser efficiency.

### CAUTION:

Avoid contact with eyes. Keep out of reach of children.  
If swallowed seek medical advice.

**Do not store in direct sunlight.**

### CONDITIONS OF SALE:

Affinity products are manufactured to label specifications.  
Affinity takes no responsibility for product damage, loss,  
injury or misuse of the product.

### COMPATIBILITY

Affinity Humic Acid is not compatible with most chemical  
tank mixes, however it is compatible with UAN and liquid  
Urea. A jar test is recommended as some chemicals can  
react. Do not mix amines or calcium products.

**Do not store mixed product. Mix well prior to use.  
Refer to SDS for correct handling and safety protocol.**

Affinity Liquid Fertilisers works best when plants are  
**actively growing and under reduced stress. Apply mid  
morning in dry conditions for best results. Do not spray  
in hot conditions. For best results consult a certified  
agronomist to determine crop deficiencies.**
